### TRANSPORTATION OF MECHANISM FOR INCINERATION AND WATER TREATMENT

Be it ordained by the City Council of the City of New Bedford as follows:—

#### SECTION 1.

Chapter 15, Licenses and Permits; Business Regulations, Article III, The Code of Ordinances, City of New Bedford, is hereby amended by adding the following section:

Sec. 15-70. Transportation of mechanism for incineration and water treatment.

1. PERMIT. No person, firm or corporation shall transport ovens, incinerators, mobile incinerators, mobile water treatment plants, devices or mechanisms of any kind used in incineration or water treatment through the streets or air space of the city without first obtaining a permit from the mayor and city council.

2. NOTICE. When those items requiring a permit as specified in this section are to be shipped or transported into, within, through or out of the city, the shipper or carrier, or person otherwise responsible, shall first notify the mayor and city council, in a form provided, eight weeks prior to the date of shipment. The form shall include the date of shipment, type and quantity of items involved, method of transportation, route, starting point, destination and such other information as the mayor and city council may reasonably require.

3. HEARING. Before granting a permit the mayor and city council shall hold a public hearing thereon; notice of time and place of such hearing and the subject thereof, sufficient for identification shall be published in a newspaper of general circulation in the City of New Bedford once in each of two (2) successive weeks, the first publication to be not less than fourteen (14) days before the day of hearing and, also, notice of said hearing shall be sent by mail, postage prepaid, to the petitioner.

4. ISSUANCE OF PERMIT. The mayor and city council shall not issue a permit for the transportation of the items enumerated in this section unless it is satisfied that the transportation and use of said items shall not cause air pollution, danger to the health of the residents and shall not be detrimental to the welfare and safety of the neighborhood. In granting any permit provided for in this section the mayor and city council may issue said permit subject to such appropriate conditions and safeguards as in its discretion will make an excepted use harmonious with the general purpose and intent of this section. No special permit shall be granted under this section except by a two-thirds (2/3) vote of the mayor and of all the members of the city council.

5. SEVERABILITY. The provisions of this ordinance are severable, and if any part of this ordinance should be found to be invalid, such invalidity shall not affect the remaining provisions.

6. PENALTY. Any person, firm or corporation violating any provision of this ordinance shall be fined three hundred dollars for each offense, and a separate offense shall be deemed committed on each day during or on which a violation occurs or continues. The New Bedford Police Department shall be charged with enforcing any violations of this ordinance.

## SECTION 2.

This ordinance shall take effect in accordance with the provisions of Chapter 43 of the General Laws.

sewer fees  
be made part  
of tax bill

PETITION, Councillor Zajac, that the Ordinance Committee study the  
possibility of assessing sewer fees as a portion of the homeowner's property  
tax bill rather than as a fee included on bills from the Water Department. It  
has been estimated that families can save \$60. to \$112. per year if they  
deductions on federal income taxes and if the enabling legislation is
